Education

University of Huddersfield
Web Programming with
Cybersecurity
From 2022-present

University of Pannonia
English Intermediate
Language Certification
2017

Beri Balogh Adam High School
GCSE/Informatics On High
Level/
2014

Key skills

I possess strong skills in bilingual communication, problem-solving, purposeful execution, fast learning, and decisive decision-making.

Professional Profile

Originally from Hungary, I have been living in the UK since 2018 and hold settled status, allowing me to work and study without restrictions. I am in my final year at Huddersfield University while working as a Junior Software Developer in the Channel Islands. I am seeking a full/part-time opportunity where I can apply my technical skills, continue growing professionally, and contribute effectively to a dynamic team.

Experience

Junior Software Developer
Guernsey, Channel Islands | August 2024– Present

- Developing web applications using C#, Blazor, Razor Pages, and JavaScript
- Integrating backend and frontend functionality across modern web platforms
- Building responsive user interfaces with Bootstrap
- Using Azure services for cloud-based deployment and management
- Managing source code and team collaboration through Git version control
- Working with SQL databases for data storage, querying, and performance tuning
- Participating in the entire development lifecycle, from design to deployment
