Education

University of Huddersfield
BSc (Hons)
Web Programming
with
Cybersecurity
First Class Honours
2022 – 2026

University of Pannonia
English Intermediate
Language Certification
2017

Beri Balogh Adam High School
GCSE/Informatics On High Level/
2014

Key skills

I possess strong skills in bilingual communication, problem-solving, purposeful execution, fast learning, and decisive decision-making.

Professional Profile

I am an award-winning, First-Class Honours graduate, holding dual citizenship in Hungary and the UK, with 1 year of experience as a Junior Software Developer. Skilled in C#, Blazor, Razor Pages, JavaScript, SQL, and cloud deployment using Azure, I am seeking a full or part-time role to apply my technical expertise, contribute to impactful projects, and continue growing professionally.

Experience

Junior Software Developer
Guernsey, Channel Islands | August 2024– August 2025

- Developing web applications using C#, Blazor, Razor Pages, and JavaScript
- Integrating backend and frontend functionality across modern web platforms
- Building responsive user interfaces with Bootstrap
- Using Azure services for cloud-based deployment and management
- Managing source code and team collaboration through Git version control
- Working with SQL databases for data storage, querying, and performance tuning
- Participating in the entire development lifecycle, from design to deployment

University Awards:

- Best Overall Performance on the Final Year Project: Awarded by the School of Computing and Engineering for top-performing final year web and information systems project.
- Departmental Prize: Awarded for the Best Web and Information Systems Student.
